

QUALITY POLICY

- Surya Chem is committed to delivering high-quality, efficient services that meet all client requirements, with a strong emphasis on customer satisfaction and long-term organizational sustainability.
- Our Management Team is dedicated to demonstrating leadership and commitment, taking responsibility for establishing, implementing, integrating, and maintaining the Quality Management System. We are committed to providing the necessary resources within the organization to achieve these objectives.
- Through effective direction, training, and support, each employee will gain a comprehensive understanding of the significance of the Quality Management System and its role in enhancing organizational effectiveness. Furthermore, all employees will be trained to fulfill the responsibilities associated with their specific roles.
- The organization is committed to fostering continual improvement and establishing Quality Objectives in accordance with the framework set forth by the ISO 9001:2015 Standard, as determined by Top Management.
- We hereby certify that this Quality Manual and the Standard Operating Procedures implemented within the organization comply with the requirements of ISO 9001:2015. The Quality System will be regularly monitored, measured, evaluated, and improved under the ultimate responsibility of Top Management, with consistent reporting and communication regarding its status and effectiveness at all organizational levels.
